¹ *Justified complaints* are complaints where the Authority had sufficient evidence available at hand for further investigation or remedial action to be taken.

² *Others* are complaints where grounds to proceed with investigation or take action on consumer claims were not identified.

In addition to the figures reported in the above table, the Authority received further 37 complaints from January to October 2012. These complaints are not included in the table above as they do not relate to a specific service offered by a service provider authorised with the Authority.

Table 2 illustrates the outcome status of justified complaints for each operator reported in October 2012 only.
